The Amazing Race Abbotsford

MSA Ford is very excited to partner with Shape Your World Society. On Saturday February 25th we participated in the **Abbotsford Amazing Race**. The station was set up right outside of the Phoenix restaurant from 9:00am- 3:00pm ready to take people out on their test drives. For every test drive done, and survey filled out Ford donated \$20. **Each household counted for one test drive** and earned twenty-dollars towards the Total Makeover Challenge. Each event has the potential of raising \$6,000 dollars. The program featured an exciting drive component, where MSA Ford volunteers displayed their latest vehicle models for the public to test drive. This allowed the community to share in the experience of driving a Ford vehicle, something many in the community have never done before. In fact, 72 per cent of the test drives were conducted with community members who currently drive a competitive brand's vehicle, providing them hands on opportunity to drive a new Ford vehicle. The goal for day was to reach the maximum amount of test drive which is 300. This is fun and easy way to raise money for a good cause, and it only takes about 10 minutes of someone's day.

Thank you to those of you who came out to make this day such a success!
